**13 January 2022**

Hello everyone,

The chilly, frosty nights are here, winter draws on. What better way to warm yourselves up than to drop in for a pint or two and tuck into some hot supper.

The Friday Night Takeaway is back – burgers, curries, chillies, pizza, fish n chips are all available to eat-in or order to takeaway. 01568 720510

The Sunday Roast is now also available as a takeaway – choose from beef, lamb or mushroom & brie all served with roast pots, veg, Yorkshire & gravy – or you can book a table by Saturday night to guarantee your lunch space – I will have limited spaces available on the day but please check with us first.

This Friday we see the return of our First Friday Acoustic Group (a week late due to the New Year Bank Holidays). Feel free to turn up to listen, join in with a song, tune or poem/story.

Please note that we will be closed this Saturday the 15<sup>th</sup> as we are at an outside event.

As ever, keep safe and well.

Jed
